

LA MANCHA ACQUIRES 9.3% OF ELEMENTAL ROYALTIES CORP FOR US\$8.5 MILLION

London, 1 April 2022 – La Mancha Fund SCSp (the “**Fund**”), a fund advised by La Mancha Capital Advisory LLP (“**La Mancha**”), is pleased to announce that it agreed yesterday to invest approximately US\$8.5 million to acquire a 9.3% shareholding in Elemental Royalties Corp. (“**Elemental**”) (TSX-V: ELE, OTCQX: ELEM).

Elemental owns a portfolio of high-quality, producing royalties, predominantly in gold mining, but also on assets producing platinum group metals, and mineral sands.

The investment in Elemental will further advance the Fund’s stated ambition of increasing the jurisdictional diversification of its portfolio; and will enable La Mancha to offer corporate support to Elemental in considering its strategic options.

The net proceeds of the subscription will be used by Elemental to fund its acquisition of a royalty on Rambler Metals and Mining’s Ming copper-gold mine, in Newfoundland, Canada. This will be Elemental’s seventh producing asset, providing uniquely diversified cash flow compared with royalty peers.

The transaction comprises the purchase of 7,250,000 common shares in Elemental at a subscription price of C\$1.51 per Share.
