

ELEMENTAL ROYALTIES AND ALTUS STRATEGIES MERGER COMPLETED

London, 2 September 2022 - La Mancha Fund SCSp (the “Fund”), a fund advised by La Mancha Capital Advisory LLP, is pleased to announce its continued support for the now completed merger of two of its portfolio companies, Elemental Royalties Corp. (“Elemental”) and Altus Strategies plc.

The merger has created a diversified and scalable royalty company, renamed Elemental Altus Royalties Corp., which we believe is well-positioned to acquire further high-quality, producing royalty and streaming assets, and aims to serve as a platform for further consolidation in the royalty sector.

Supporting the creation of what we believe to be a global royalty champion through the merger between two of the Fund’s portfolio companies demonstrates the Fund’s core strategy of supporting its investments, aiming to achieve transformational growth through operational improvement, organic expansion, and M&A.

As a result of the completion of the merger, the Fund now owns, through its wholly-owned subsidiary LMH Explorers S.à r.l., 31,721,881 common shares of Elemental, representing approximately 21.4% of the issued and outstanding common shares of Elemental. In the future, the Fund may, from time to time, increase or decrease its investment in Elemental through market transactions, private agreements, treasury issuances or otherwise at any time.
